

Multi-play mini tower h575_89

Mini tower for playground, with slide and climbing platform.

Single mini tower designed to meet the needs of preschool children. The **roof profile** resembles the **shape of a pumpkin**, which comes to life in the cute smiling balustrades, stimulating the child's imagination. The structure is made of 90x90 mm aluminum posts, with rounded corners (r. 10 mm). It is equipped with a **roof and balustrades** in HDPE (15 mm thick), and an MDPE platform with an embossed surface to ensure high **slip resistance**. The **tower** is provided with a **climbing platform** in MDPE with **polyethylene stones**, and a straight steel slide h 58 cm.
