

Multipurpose cleaning trolley h42213

Multipurpose cleaning trolley. Equipped with 120 l bag holder, 2 x 15 l buckets. 2 x 6 l storage buckets

The multipurpose cleaning trolley is perfect for use in schools, sports centers, hotels, and various types of hospitality facilities. The product is ideal for managing **general cleaning** of environments.

The trolley features a **bag holder** with a **capacity of 120 l** and a relative bag clip (bag excluded).

Thanks to the **bag support grid** equipped with a **wheel** with a diameter of 80 mm, greater support for particularly heavy bags will be guaranteed and the movement of the trolley will be facilitated.

The presence of two wheels **with brakes** and bumpers ensures safety during use.

The product consists of **two 6-liter buckets** of different colors to help the user with the eventual **distinction of chemicals** and tools used.

The **two 15 l buckets** with wringer allow the detergent solution to be separated from the rinsing water, **optimizing washing** results, product **waste**, working **time**, and the **efforts** of the trolley user.

The trolley consists of a **chromed bottle holder basket** which allows you to have everything necessary to carry out cleaning.

The product has a chromed steel structure and is equipped with a **broom holder hook ø 14 mm**
