

Multipurpose cleaning trolley h42216

Multipurpose trolley in chrome-plated steel. Equipped with 2 buckets of 15 liters each. 2 storage buckets 12 liters. 120-liter bag holder.

The multipurpose trolley is perfect for use in hotels, B&B, sports centers or various communities to better manage cleaning activities.

The trolley is ideal for **cleaning medium-large environments** and in particular for dusting, waste collection and surface washing activities.

The product consists of a **wringer** and **two 15-liter plastic buckets** ideal for containing the detergent and rinsing water respectively.

The presence of a **plastic tray** will prevent unpleasant dripping during the cleaning phase.

In this way, it will be possible to achieve greater **hygiene**, greater **product savings**, **shorter working time** and **less effort for the operator**.

The **two 12-liter buckets** are instead useful for differentiating chemical products and used tools thanks to their different colors (red and blue).

The presence of the **120-liter bag holder** makes the trolley suitable for separate waste collection (bag not included).

The movement of the trolley is possible via **100 mm diameter wheels**.
