

Multipurpose cleaning trolley h42218

Multipurpose cleaning trolley. Equipped with 2 x 15-litre buckets and a bag holder.

The multipurpose trolley is perfect for managing cleaning activities within hospitality facilities such as hotels, resorts, etc.

The trolley is also suitable for use in various types of facilities requiring **dusting, waste collection, and floor and surface washing**.

It will therefore be possible to perform **different functions** through a single product.

The trolley is equipped with a **120-litre bag holder** (bag excluded).

The bag holder features an **ergonomic push handle** and comes complete with bag tensioners and reinforcements for maximum durability over time. Being **foldable**, it allows for a reduction in overall dimensions after use.

The corresponding **bag support plate** can also be attached vertically to the base after use, reducing space requirements.

The trolley consists of a **wringer** and **two 12-litre buckets**, colour-coded for possible differentiation of chemicals and tools used, facilitating the operators' work.

The presence of **2 central trays** allows not only for holding the two buckets but also for transporting other work tools.

The product is also equipped with **two 15-litre buckets** that allow for the separation of the detergent solution from the water needed for rinsing.

In this way, better **washing results, increased hygiene, product savings, reduced working time, and less operator's effort** will be guaranteed.

The plastic base allows for the support and transport of various equipment and **prevents dripping** onto the floor during cleaning.

The product is made of **recyclable polypropylene** and the trolley is moved via **100 mm diameter wheels**.

Technical features:

- Material: recyclable polypropylene
- Plastic base
- Bag holder: 120 l (bag excluded)
- Bag support plate
- 2 buckets: 15 l each
- 2 storage buckets: 12 l each
- 2 central trays
- Down-press wringer
- Wheels: ø 100 mm
- Dimensions: 129 x 67 x h113 cm
