

Multipurpose hand truck h661_07

Multipurpose iron hand truck with pneumatic wheels, capacity 250 kg. Dimensions 540x500x1200 mm, ideal for handling crates and heavy loads.

The **professional hand truck** is a robust solution designed to optimize the manual handling of goods and crates in logistics and industrial contexts. The **iron** structure ensures superior mechanical resistance, allowing for the transport of heavy loads while significantly reducing the operator's physical effort. Thanks to the **pneumatic wheels** configuration, the hand truck ensures stability and fluid movement even on irregular surfaces or flooring that is not perfectly smooth.

Technical features

- **Material:** high-resistance iron
- **Wheels:** pneumatic for shock absorption
- **Toe plate size:** 300x245 mm
- **Maximum capacity:** 250 kg
- **Unladen weight:** 10 kg
- **Total dimensions:** W.540 x D.500 x h.1200 mm
