

Multipurpose table-bench for nursery school h681_24

Multipurpose table-bench h681_24 in birch plywood, with non-toxic finishes and scratch-resistant HPL seat coating. Ideal for children aged 0-3. Dimensions: W 120 x D 45 x h 42 cm.

The **h681_24 children's table-bench** is a versatile and functional solution designed specifically for children aged **0 to 3 years**, making it perfect for use in **nursery schools** and educational environments. The structure of the bench is made of **birch plywood**, ensuring a robust and safe construction. The wood used complies with **E1** regulations for formaldehyde emissions, with a thickness of **18 mm**, providing stability and safety even with daily use.

The **finish of the side panels** is **natural polished** with **transparent and non-toxic** water-based varnishes, ideal for use in educational environments for children. The **seat/work surface** and the **cross-member**, which also serves as a seat, are coated in **HPL plastic laminate** (thickness 9/10 mm), an impact and scratch-resistant material, with a **matte finish** that facilitates daily cleaning and maintenance. The HPL laminate is also **fire-retardant** (class 1 fire reaction) and **scratch-resistant**, offering an additional level of safety for use in school environments.

The **visible edges** of the bench are **rounded** and natural polished, according to **current safety regulations**, to protect children from any impacts during use. This feature, combined with the materials used, makes the bench safe and comfortable for the little ones.

The **assembly** of the structure is carried out using **wooden dowels** and cold vinyl glue, ensuring a **stable and long-lasting connection** without the use of toxic or dangerous substances for children.

The h681_24 table-bench is designed to be used both as a **work area** and as a **seat**, adapting to different activities and situations within the school environment. Its height is ideal for younger children, offering them a comfortable space to play, learn, and socialize in safety.

Offer children a safe and multifunctional space with the **h681_24 nursery school table-bench**! Robust, practical, and ideal for daily use. **Order now** for a durable and safe product for little ones.
