

## Museum display case in iron h1041\_01

Wall-mounted museum display case in iron and 8 mm tempered glass. Dimensions: 95 x 25 x 80 cm, with 3 shelves, 3 LEDs in the top and security lock.

The **iron museum display case** is a wall-mounted display solution, designed to combine maximum security and aesthetic performance in professional contexts. Made with a sturdy **iron structure** and 8 mm thick tempered glass, this showcase offers a protected and durable environment for the enhancement of artifacts and precious objects. The main function is to solve the need for wall display in galleries, showrooms and museums, while ensuring the protection of items thanks to the **integrated lock**. Lighting is provided by **3 LEDs inserted in the top**, which ensure uniform light on all **3 internal shelves**, allowing for a versatile organization of the exhibition space.
