

New Jersey plastic barrier h657_04

New Jersey traffic barrier. Material: plastic. Available in white or red. Length: 108 cm.

New Jersey road barrier ideal for channeling traffic flow or for delimiting construction site areas. Entirely made in Italy with high-quality materials. Its **plastic and stackable structure** makes it conveniently transportable without taking up too much space. Equipped with a **35-liter anti-bulge tank**, fillable via a side cap and drainable via a tamper-proof bottom cap. Complete with a **hook** in one of the sides to allow the connection of multiple adjacent modules.

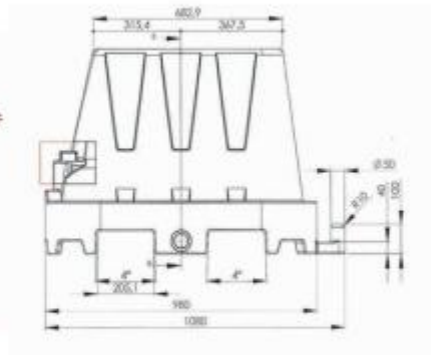

Technical features:

- Dimensions: L108 x D40 x H70 cm
- Weight: 7 kg
- Stackable up to 10 pieces
- Material: plastic
- Tank capacity: 35 lt
- Anti-bulge tank
- Side filling cap
- Bottom drain cap, tamper-proof
- Hook for joining with other barriers
- Available in red or white
- Made in Italy
