

Non-magnetic dressing and emergency trolley h13_166

Non-magnetic dressing trolley with 5 drawers. Dimensions: W.775xD.710xH.920 mm.

Non-magnetic trolley, yellow, equipped with **5 drawers** with **non-magnetic wheels**, without locking system. **Trolley with innovative design**, superior quality and a complete set of accessories. Made of polyurethane, a high-performance material that combines the best characteristics of **plastic with those of metal**. **Lightweight, robust**, very resistant to scratches and impacts. **UV resistant**. Chemically inert, does not react to acids, organic and inorganic, alkalis and solvents (DIN 68861/1).

Fire-retardant, self-extinguishing (Class I, UL94 V-O). **Non-toxic**, in case of **combustion** it does not produce dioxin.

Excellent ergonomic design, modular. **The handles** are thermoformed on the body, as is the wide surface worktop with retaining perimeter edging. Each drawer has a **label holder**. Easily transportable, **lightweight structure and high quality anti-corrosion rollers** that leave no marks. Each **roller is mounted on ball bearings** with **sealed lubrication** (2 per wheel), **3 with brake**, 1 antistatic. **Safe and hygienic**, the smooth-shaped design without sharp edges ensures an excellent level of **safety** and prevents the accumulation of bacteria and dirt. **Easy to clean and disinfect** even with aggressive detergents. High level of safety The soft perimeter bumpers prevent damage to healthcare workers, patients, other objects or the trolley itself.

Technical features:

- Dimensions: 775 x 710 x h 920 mm
- No. 5 drawers
- Non-magnetic wheels without locking system
