

## Northmace hotel room ironing board with iron h41444

Northmace ironing board with 1100W dry iron and wardrobe hook. Space-saving steel structure, anti-scorch cover and Auto-Off safety.

The **hotel ironing board with iron** is an elegant and functional solution, designed specifically for the needs of the hospitality sector. This professional set allows you to offer guests a **simple and intuitive** ironing experience directly in their room, solving the problem of bulk thanks to an extremely compact design. The **high-quality steel** structure with T-bar legs ensures superior stability, while the **integrated hook** allows the board to be suspended in the wardrobe, optimizing room space.

Safety is guaranteed by the **dry iron included**, equipped with the **Auto-Off** function: the device turns off automatically after 30 seconds if left in a horizontal position and after 8 minutes vertically, preventing any risk of overheating. The station is completed by an **anti-scorch metallized cover**, which protects delicate garments, and a heat-resistant composite strap designed to lock the iron in position and keep the power cord perfectly tidy after use.
