Northmace hotel tray set with kettle h41443

Exclusive Northmace welcome set in white with 1 L **double-walled** kettle and slim tray. Power up to 1260 W, "Cool Touch" technology and integrated ingredients compartment. Ideal for bright and modern environments.

The **professional Northmace welcome set in white finish** is the perfect solution for hospitality facilities wishing to offer a welcome service characterized by brightness and maximum safety. Designed by the world leader in the Hospitality sector, this kit integrates a 1-liter kettle featuring **double-wall technology (double glass/insulation)**. This technical excellence feature keeps the water hot for longer inside, while ensuring that the external surface remains safe to the touch, preventing accidental burns for the guest.

The matching tray is designed to optimize small spaces: with a depth of only 16 cm, it easily fits on desks, shelves or minibar furniture. It includes a **convenient integrated compartment** that facilitates the selection of tea, coffee and sugar, keeping the station always tidy and inviting. Thanks to the automatic shut-off with indicator light and power calibrated up to 1260 W, this set guarantees reliable performance, ease of cleaning and intelligent energy consumption for hotels, resorts and B&Bs.
