

Notice board with side-hinged opening h738_135

Notice board in anodised aluminium with magnetic and writable surface, transparent methacrylate door, side-hinged opening and lockable closure. Dimensions: W 88 x D 3 x H 67 cm.

The **h738_135 notice board** is the perfect choice for organising and protecting communications in indoor environments such as offices, schools, apartment buildings and public facilities. Made with **silver anodised aluminium profiles**, this notice board combines modern aesthetics and durability.

The **magnetic and writable surface** offers flexibility, allowing documents to be posted with the **32 included magnets** or written directly with dry-erase markers. The **transparent methacrylate door**, equipped with **aluminium perimeter protection profiles**, ensures optimal visibility and long-term resistance.

The side-hinged opening allows for easy access to content, while the **lock with supplied key** ensures the security of notices, protecting them from unwanted tampering. The product is designed for **wall-mounting**, optimising space and guaranteeing stability.

Simplify communication management with the **h738_135 magnetic notice board!** Order it now for a practical, safe and elegant solution.
