### FAQ:

1. **What is the recommended age range for this chair?**  
From 4 to 6 years, thanks to the 31 cm seat height (size 2).
2. **Is the product certified according to school standards?**  
Yes, it complies with the EN 1729 standard on the ergonomics of school furniture.

3. **What materials are used?**

Solid beech wood structure and beech plywood seat/backrest.

4. **Is the backrest decorated?**

Yes, it is shaped with a bear-shaped design, ideal for children's educational contexts.

5. **What are the dimensions of the chair?**

The dimensions of the chair are W 31.5 x D 30 x H 31 cm.

**Mini buying guide:**

Choosing a chair for nursery and kindergarten environments must take into account factors such as the children's age, seat height, and material resistance.

**Size 2 (31 cm)** is recommended for the 4-6 age group. **Beech wood**, used for the structure and components, guarantees solidity and safety.

**Animal-themed shaped backrests**, like the bear model, make the school environment more welcoming and stimulate interaction. Always check **compliance with the EN 1729 standard** to ensure correct posture during activities.
