

Nursery school cabinet 2 shelves h175_13

Wooden storage cabinet for nursery schools, 75x40x87 cm, with 6 trays and rounded corner frame for maximum safety.

The **nursery school cabinet** is a furnishing solution designed to combine the organization of educational spaces with the highest safety standards. The structure stands out for the presence of a **melamine-faced wood frame** characterized by rounded processing on both the edges and corners: this design choice not only provides aesthetic elegance, but also guarantees the **protection of children** in the event of accidental impacts. The module is equipped with **plastic feet** that ensure stability, isolate the wood from floor moisture, and facilitate environmental cleaning operations.

Technical features

- **Material:** High-quality melamine-faced wood
- **Internal configuration:** 2 spacious shelves
- **Equipment:** 6 storage containers included
- **Total dimensions:** 75 x 40 x 87 cm
- **Safety:** Front frame with rounded edges and corners
- **Base:** Protective and insulating plastic feet
