

Nursery school cabinet h927_17

Two-tier storage cabinet for nursery schools with doors, W 145 x D 102 cm, made of resistant material for the organization of art supplies.

This **storage cabinet** has been specifically designed for the needs of nursery schools and educational spaces. The structure is developed over two tiers and integrates closing doors, offering a functional solution for storing books, teaching aids, and painting materials. The high depth and robust design allow for managing heavy loads and large-format materials, solving order and accessibility issues in high-traffic environments.

Technical features

- **Configuration:** two-tier structure with compartments closed by doors
- **Material:** resistant components for intensive use in school environments
- **Base dimensions:** Width 145 cm x Depth 102 cm
- **Total height:** 78 cm
- **Aesthetic details:** graphite-colored finishes
- **Usage:** storage of art materials, books, and study tools
