

Nursery school car for children h999_41

Toy car for nursery school h999_41 (58x31x37 cm). Designed to actively stimulate fun, strategy, reflexes, and childhood imagination.

The **Nursery school car h999_41** is a ludic piece of furniture designed to functionally enrich recreational areas dedicated to early childhood. Intended for kindergartens, playrooms, and nursery schools, this toy car addresses the logistical and educational need to provide stimulating play tools, helping educators and operators to actively involve the little ones. Through the use of this compact vehicle, children are encouraged to explore the environment and move through the space independently, concretely supporting the development of fundamental skills such as spatial strategy planning, motor reflexes, and creative imagination during daily play.
