

Nursery school coat rack h364_49

2-hook nursery school coat rack in class 1 fire-retardant melamine, W36xH17 cm. Sturdy and safe birch structure for corridors and school classrooms.

The **two-hook wall-mounted coat rack** is a solution specifically designed for furnishing nurseries, preschools, and play areas. The module is designed to neatly organize children's clothing and backpacks, optimizing space within classrooms and corridors. The use of certified materials guarantees maximum safety in high-traffic environments, meeting the needs for mechanical resistance and fire prevention.
