

Nursery school coat rack h908_44

Trolley coat rack for kindergarten h908_44, 10 double-sided spaces with open compartments, dimensions 100x45x120 cm, mobile base on wheels.

The **h908_44 trolley coat rack** is an advanced logistical solution for space management in educational contexts such as kindergartens and nurseries. Designed with a double-sided structure, it optimizes the organization of clothing and personal accessories in a compact footprint, solving the tidiness issues in corridors and classrooms. The integration of **lower open compartments** allows for separate and orderly storage for backpacks and footwear, facilitating direct access for little users.
