

Nursery school coat rack h979_41

Linear wall-mounted coat rack for nursery school h979_41 in 19 mm thick melamine with Oasis Oak finish. Equipped with 5 multicolor unbreakable nylon double hooks with a concealed fixing system.

The **nursery school coat rack h979_41** is a robust and linear wall module, specifically designed for **school managers, educational institution employers, interior designers, educators, and workplace safety officers in the school sector**. This accessory meets the organizational need to set up tidy and functional entrance areas or changing rooms, solving the operational problem of **hanging heavy jackets, backpacks, or change bags in total safety using very high-capacity hooks, while ensuring maximum accident prevention safety thanks to a system with completely hidden wall plugs that eliminates the presence of protruding or visible hardware**. The module consists of a rear slat made of a 19 mm thick high-density melamine panel (630 kg/m³) in Oasis Oak finish with a matte silky texture and 1 mm ABS protective edging. 5 unbreakable nylon double hooks are installed on the structure, characterized by a lively chromatic alternation in Red, Green, Blue, and Yellow. Developed for a linear and clean assembly, the system is supplied disassembled and provides for wall anchoring via three fixing points strategically positioned behind the line of the hooks.

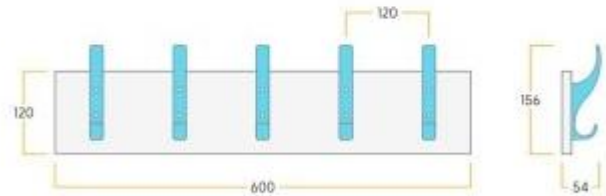

Technical features

- **Product type:** linear wall-mounted coat rack with double hooks and concealed fixing
- **Code reference:** h979_41
- **Rear slat material:** 19 mm thick melamine panel, 1 mm ABS edged (wood particles formed by three layers, agglomerated with synthetic resins by high-temperature flat pressing and sanding)
- **Panel structural density:** 630 kg/m³
- **Coating specifications:** decorative paper coated with high-resistance 120 g melamine (normalized thickness), special for surfaces subject to high wear for continuous use, with anti-fingerprint effect
- **Aesthetic finish and body color (Slat):** silky texture with matte finish (Grade 4), Oasis Oak color
- **Hook configuration and material:** 5 double hooks made of unbreakable nylon
- **Hook color finish (Multicolor):** Red, Green, Blue, Yellow
- **Hook load capacity:** individual load capacity up to 40 kg per single hook
- **Single hook dimensions (H x D x W):** 136 x 35 x 19 mm
- **Hardware and installation system:** mounting with three direct wall plugs, positioned and hidden behind the hooks (hidden wall plugs)
- **Supply configuration:** supplied disassembled
- **Quality certificates and industrial controls:**
 - Initial inspection of our production and control system
 - Initial product type test
 - Surveillance, supervision, and evaluation of the quality system
 - Tests on the raw materials of our suppliers
 - ISO 9001, 14001, and 14006 certifications for corporate management
- **Mechanical resistance (UNE EN 14323):** resistance to scratching / marking ? 1.5 N; scratch defects ? 20 mm²/m²
- **Surface wear resistance (UNE EN 14323):** ? Grade 3 (structure resistant to continuous applications)
- **Chemical and stain resistance (UNE EN 14323):** ? Grade 3 (without visual defects); good resistance to acids, alkalis, and oils at room temperature (surface suitable for aggressive household cleaning products without solvents)
- **Panel geometric tolerances (UNE EN 14323):** edge damage ? 10 mm/m; point defects ? 2 mm²/m²
- **Maintenance instructions:** washable and easy-to-maintain surface; ordinary cleaning with pH-neutral products is recommended
