

Nursery school coat rack with 2 hooks h364_76

School coat rack with 2 hooks in FSC wood (36x16 cm). Ecological milk white structure compliant with CAM requirements for educational environments.

The **H364_76 coat rack** represents a compact and sustainable furnishing solution, specifically designed for organizing spaces within **nurseries, kindergartens, and primary schools**. The structure is made of **ecological melamine-faced wood conglomerate**, ensuring a low environmental impact thanks to **FSC certification**, which certifies the origin of the raw material from responsibly managed forests.

The module is equipped with **two sturdy plastic hangers** in lime green, designed to withstand the mechanical stress typical of community and daily use by children. Thanks to its compact dimensions, the coat rack is ideal for individual stations or for installation in small environments where optimizing every inch of wall space is essential.

Technical specifications
