Nursery school cot h681_06

Resting cot for nursery schools in wood and PVC, 130x70x15 cm. Rounded anti-trauma edges and integrated storage compartment with drop-down opening.

The **nursery school resting cot** represents a professional solution designed to ensure maximum comfort and total safety for children during sleep hours. The structure is engineered for intensive educational contexts, where material robustness and injury prevention are essential requirements. Thanks to the low profile, it encourages children's autonomy during climbing in and out, integrating perfectly into modern educational environments.

Technical features

- **Dimensions:** W 130 x D 70 x H 15 cm
- **Structure:** High-resistance wood conglomerate panels
- **Safety:** Rounded edges finished in impact-resistant ABS
- **Coating:** Light blue soft PVC top, 3 mm thickness, hygienic and comfortable
