

Nursery school storage unit with 12 cubbies and trays h175_15

Nursery school storage unit with 12 cubbies and 12 transparent plastic trays.

The **nursery school storage unit** consists of **12 cubbies with 12 transparent trays**, allowing for the storage of various objects and toys. Perfect for school environments, the front part is characterized by a wood-finished frame rounded at both the edges and corners; besides providing a touch of aesthetic elegance to the whole, it ensures the child's safety in case of impact against the module's surface. The unit rests on plastic feet that make it stable and insulated from floor moisture, allowing for cleaning of the underlying area.

Technical characteristics:

- Dimensions: 75x40xh87 cm
- 12 cubbies
- 12 transparent trays
