

Nursery school wheelbarrow h999_40

Giant toy wheelbarrow for nursery school (78x33x22 cm). Ideal for developing reflexes, imagination and strategy through active play.

The **nursery school wheelbarrow h999_40** is part of a line of giant toys specifically designed for use in early childhood educational settings. Aimed at educators and managers of play spaces, this equipment responds to the need to actively stimulate children's imagination, strategy and reflexes through motor activity. Thanks to its balanced dimensions, it allows little ones to interact in a safe and engaging way, transforming outdoor play or play in dedicated areas into a real tool for psychomotor and relational development within nurseries and playrooms.
