

Office chair with Sky upholstery h449_185

Office chair upholstered in Sky with adjustable backrest. Dimensions: W 45 x D 60 x H from 96 to 107 cm.

The **H449_185 office chair** is an **ergonomic task chair** upholstered in **Sky**, designed to guarantee **comfort, lumbar support and adjustability** during daily use for up to 8 hours. It is ideal for **offices, workstations, home offices** and corporate environments where a **functional, certified and resistant** chair is required.

Equipped with a **steel structure**, it offers robustness and a **maximum weight capacity of 110 kg**. The **permanent contact** mechanism allows the backrest to follow the user's movements, ensuring **continuous back support**, while the **height and depth adjustment of the backrest** allows for perfect posture customization.

The **padded seat** is made with **T25 foam h 5 cm** on a **multilayer beech** support, while the backrest uses **T21 foam h 4 cm** with a PPL structure, to offer adequate breathability and flexibility.

It is equipped with a **nylon base with a diameter of 64 cm** and **wheels Ø 50 mm**, for high smoothness on smooth floors. The seat height is adjustable via a **TUV certified gas lift**, ensuring safety and durability over time.

Buy the **H449_185 task chair** for your office now: ergonomic, adjustable and compliant with safety regulations. Request a quote for multiple corporate supplies.

FAQ:

- 1. Is the chair suitable for prolonged use?**
Yes, it is recommended for standard use up to 8 hours per day.
- 2. Can the backrest be adjusted?**
Yes, the backrest is adjustable in height and depth and equipped with permanent contact.
- 3. Is the seat comfortable?**
Yes, thanks to the T25 foam and the multilayer beech, the seat is ergonomic and stable.
- 4. What certifications does it have?**
It has TUV certified gas lift, complies with Legislative Decree 81/08 and adheres to the EN 1335-B standard.
- 5. Is it suitable for any type of floor?**
The nylon wheels are ideal for smooth floors (carpets or parquet protections recommended).

Mini buying guide:

For daily use in the office, choose **certified** chairs, with **adjustable backrest** and **ergonomic mechanism**, such as permanent contact.

The **height adjustment** via **certified gas lift** ensures safety and adaptability.

Materials such as **Sky** offer an excellent balance between elegance, ease of cleaning and durability.

The **stable base** with **50 mm wheels** allows for easy and quiet movement.

Always check that the model is **compliant with safety regulations** (Legislative Decree 81/08, EN 1335).

Sky office task chair, ergonomic chair with adjustable backrest, chair with permanent contact EN 1335, certified 8h work chair, office chair standard DL 81/08, professional chair with nylon wheels.
