

Office chest of 3 drawers and 1 stationery tray h1033_16

Metal chest of drawers on wheels with 3 drawers and 1 stationery drawer. Dimensions: W 42 x D 58 x H 63 cm.

The **H1033_16 office chest of drawers with 3 drawers + 1 stationery tray** is a practical and functional solution for organizing documents, accessories, and work tools efficiently directly next to the desk. Ideal for professional environments, it combines **sturdiness, security, and essential design**, adapting to various furnishing configurations thanks to the available finishes.

The structure and drawers are made of **top-quality 8/10 mm DC01 – UNI EN 10130 sheet steel**, a material that guarantees solidity and resistance to daily use. The surface is treated with **electrostatic epoxy-polyester powder coating**, after a **phospho-degreasing** treatment, to ensure protection and uniformity of the finish over time.

The configuration includes **3 main drawers** for filing and **1 stationery drawer**, ideal for organizing small objects and frequently used tools. The drawers slide on **pressed steel guides with nylon roller bearings**, ensuring fluidity and practicality. Opening is via a **lateral groove**, a solution that maintains a clean and modern line.

For the security of the contents, the chest of drawers is equipped with a **cylinder lock with a double anti-injury folding key**. The **anti-tip device** allows only one drawer to be opened at a time, increasing stability during use.

Movement is facilitated by **ABS swivel castors**, which allow for easy displacement under the desk or between different workstations.

Make your workstation more organized and secure with the **H1033_16 professional chest of drawers on wheels**. Request information now or a dedicated quote for multiple supplies.

4. What material is it made of?

It is built in 8/10 mm DC01 – UNI EN 10130 sheet steel, powder coated.

5. Are the wheels included?

Yes, it is equipped with ABS swivel castors for easy movement.

Mini purchase guide:

When choosing an office chest of drawers, it is important to evaluate the internal configuration: the presence of a stationery drawer facilitates the organization of daily tools. The quality of the **sheet metal (8/10 DC01)** ensures durability over time, while the guides with **roller bearings affect** the smoothness. For document security, the lock with a double key and the anti-tip system are fundamental. Finally, the swivel castors represent a plus for dynamic environments and flexible workstations.
