

## Office paper shredder h970\_07

Powerful and silent paper shredder, ideal for offices and departments. Dimensions: W 62 x D 48.7 x H 88.9 cm. Collection capacity: 145 L.

The **H970\_07 paper shredder** is the ideal solution for **offices and departments** managing a high volume of confidential documents. Thanks to the **700 W motor power** and the **solid steel cutting cylinders**, guaranteed for life, this model ensures excellent performance and continuous use without overheating.

Designed to shred **A3 format documents**, staples, paper clips, credit cards, and CDs/DVDs, it offers **maximum versatility** for every destruction need. The **4.5 x 30 mm particle cut** guarantees a **P-4** security level (DIN 66399), effectively protecting sensitive data.

The **H970\_07** has been designed for maximum efficiency and convenience: the **wooden cabinet** with a **wide-opening door** allows for easy access, making emptying operations quick and practical. The **145-liter container** can handle up to **1,860 shredded sheets**, reducing the frequency of emptying and increasing productivity.

Operation is extremely **silent** (56 dB), ideal for shared work environments. Furthermore, the **anti-jam technology with automatic reverse** prevents paper blockages, ensuring uninterrupted use. The **stand-by function** reduces energy consumption when the device is not in use, contributing to operational efficiency.

Thanks to the **integrated wheels**, the **H970\_07** model is easily transportable and can be positioned wherever needed, offering maximum flexibility in work environments.

Securely manage large volumes of documents with the **H970\_07 paper shredder**! Power, efficiency, and silence in a single device. Buy now or request a personalized quote for your office.

- **Easy emptying:** Wide-opening door for quick access.
- **Anti-jam:** Automatic reverse for uninterrupted operation.
- **Energy saving:** Stand-by function to reduce consumption.
- **Easy to transport:** Integrated wheels for optimal mobility.

## FAQ:

### 1. Can it shred A3 format documents?

Yes, thanks to the 400 mm entry width, the H970\_07 model is ideal for A3 sheets and smaller.

### 2. Is the device suitable for shredding CDs and DVDs?

Yes, it can shred CDs, DVDs, credit cards, staples, and paper clips without problems.

### 3. Is the paper shredder noisy?

No, it is silent (56 dB), perfect for shared offices.

### 4. Does it require much maintenance?

No, the large 145-liter container reduces the need for frequent emptying and the display alerts when it is full.

### 5. How do you move the paper shredder?

It is equipped with integrated wheels, so it can be easily transported to different areas of the office.

## Mini buying guide:

If your office handles **large volumes of confidential documents**, it is essential to choose a **powerful, fast, and secure paper shredder**. The **H970\_07** is designed for **departmental use**, with a **high cutting capacity (up to 22 sheets at a time)** and a **large 145-liter container**, which reduces the need for frequent emptying.

The **P-4 security** ensures that documents are destroyed into very small particles, providing maximum protection for sensitive data. Furthermore, the ability to shred **CDs, DVDs, and credit cards** makes it a versatile tool for any office.

The **silent and continuous cycle operation**, combined with the **anti-jam function and automatic reverse**, ensures an uninterrupted user experience. The **wooden cabinet with a wide-opening door** completes a product of the highest quality, designed to last over time.

If you are looking for a **professional, powerful, and easy-to-manage paper shredder**, the **H970\_07** is the ideal choice for your office or department.
