

## Office paper shredder h970\_09

Powerful and reliable paper shredder for departmental use with high cutting capacity. Dimensions: W 57.9 x D 54.8 x H 95.4 cm. Collection capacity: 150 L.

The **H970\_09 paper shredder** is the ideal choice for **departmental offices and companies** with high document destruction needs. Designed for **intensive and continuous use**, it combines **power, efficiency, and security**, guaranteeing high cutting performance even with large quantities of paper.

The **1,920 W motor** ensures high shredding capacity, allowing for the destruction of up to **35 sheets at a time** quickly and without interruption. The **solid steel cutting cylinders**, with a **lifetime warranty**, offer resistance and reliability even with **staples, paper clips, credit cards, and CDs/DVDs**.

The **4.5 x 30 mm particle cut** ensures a **P-4 security level (DIN 66399)**, ideal for protecting confidential and sensitive documents. The **sturdy wooden cabinet**, with a **wide-opening door**, facilitates access to the **removable and reusable collection bag**, allowing for **quick and practical emptying**.

The **H970\_09** is equipped with advanced technology for **simple and efficient** use: **anti-jam technology with automatic reverse** prevents paper jams, while the **stand-by function** reduces energy consumption when the machine is not in function.

Thanks to the **integrated wheels**, the device is easily **transportable and repositionable** within the office, offering maximum operational flexibility.

Protect your data with efficiency and security! The **H970\_09 paper shredder** is ideal for offices and departments with large volumes of confidential documents. **Buy now** or **request a personalized quote** for your office.

### Technical features:

- **Cut type:** Particles (4.5 x 30 mm)
- **Security level:** E-3 | F-1 | O-3 | P-4 | T-4 (DIN 66399)
- **Shredding capacity:** 33-35 sheets (80 g/m<sup>2</sup>)
- **Motor power:** 1,920 W
- **Voltage/Frequency:** 220-230 V / 50 Hz
- **Plastic bags:** not included, available for purchase upon quote and request
- **Entry width:** 330 mm
- **Collection volume:** 150 liters (1,860 shredded sheets)
- **Noise level:** 60 dB(A)
- **Weight:** 73 kg
- **Dimensions:** W 57.9 x D 54.8 x H 95.4 cm
- **Shreddable materials:** Paper, staples, paper clips, credit cards, CDs/DVDs

### Optional:

- **Lubricating oil:** for the cutting block 250 ml

### User benefits:

- **High productivity:** Shreds up to 35 sheets simultaneously, ideal for offices with high workloads.
- **Advanced security:** P-4 level for the protection of confidential data.
- **High capacity:** 150-liter container to reduce the frequency of emptying.
- **Versatility:** Also shreds staples, paper clips, credit cards, and CDs/DVDs.
- **Reliability and durability:** Solid steel cutting cylinders with a lifetime warranty.
- **Quiet operation:** 60 dB(A), suitable for shared work environments.
- **Mobility:** Integrated wheels for easy movement.
- **Energy efficiency:** Stand-by function to reduce consumption.
- **Anti-jam:** Automatic reverse to prevent blocks during use.

#### FAQ:

1. **Can it shred A3 documents?**

Yes, thanks to the 330 mm entry width, it is suitable for A3 and smaller sheets.

2. **Is it possible to shred CDs and DVDs?**

Yes, the H970\_09 is designed to shred CDs, DVDs, credit cards, paper clips, and staples.

3. **Is it suitable for continuous use?**

Yes, the 1,920 W motor allows for continuous cycle operation without overheating.

4. **Is the device noisy?**

No, with a noise level of only 60 dB(A), it is ideal for shared work environments.

5. **How do you move the shredder?**

It is equipped with integrated wheels, which allow for easy and convenient transport within the office.

#### Mini buying guide:

If your office or department handles a **high volume of confidential documents**, it is essential to have a **powerful and reliable** paper shredder. The **H970\_09** has been designed to offer **maximum efficiency, security, and durability over time**, making it the ideal solution for those who need high performance and continuous operation.

The **capacity to shred up to 35 sheets at a time**, combined with the **150-liter container**, minimizes emptying interventions, ensuring **optimal productivity**. Furthermore, the **P-4 particle cut** offers advanced protection for the secure destruction of sensitive data.

If you are looking for a **robust, high-performing, and versatile** paper shredder, with the ability to also destroy **CDs, DVDs, and magnetic cards**, the **H970\_09** is the perfect choice for your office.
