

Office paper shredder h970_10

Powerful paper shredder for departmental use, ideal for large volumes of paper. Dimensions: W 62 x D 47.8 x H 100.5 cm. Collection capacity: 165 L.

The **h970_10 paper shredder** is designed for **departmental offices and companies** that need a **powerful, efficient and secure** device for destroying large quantities of confidential documents. Thanks to its **reliable transmission**, this model guarantees a high cutting capacity even during **continuous cycle** use, increasing productivity and reducing waiting times.

The **1,920 W motor** ensures excellent performance, allowing you to shred up to **35 sheets at a time** quickly and without interruption. The **solid steel cutting cylinders**, with a **lifetime warranty**, offer maximum strength and durability, allowing for the destruction of **staples, paper clips, credit cards, CDs/DVDs and floppy disks**.

The **3.9 x 40 mm particle cut** ensures a **security level P-4 (DIN 66399)**, making documents unrecoverable and protecting sensitive data. The **reinforced wooden cabinet**, with a **wide-opening door**, allows for **convenient and fast emptying** of the **165-liter container**, capable of holding up to **2,178 shredded sheets**.

The **H970_10** is equipped with **advanced technologies** that improve the user experience: the **anti-jam function with automatic reverse** prevents paper blocks, while the **stand-by mode** reduces energy consumption when the machine is not in use.

To ensure **maximum operational flexibility**, the device is equipped with **integrated castors**, making it easily **transportable and repositionable** within the office.

Protect your data with efficiency and security! The **h970_10 paper shredder** is ideal for offices and departments with large volumes of confidential documents. **Buy now** or **request a personalized quote** for your office.

Technical features:

- **Cutting type:** Particles (3.9 x 40 mm)
- **Security level:** E-3 | F-1 | O-3 | P-4 | T-4 (DIN 66399)
- **Cutting capacity:** 33-35 sheets (80 g/m²)
- **Motor power:** 1,920 W
- **Voltage/Frequency:** 220-230 V / 50 Hz
- **Plastic bags:** not included, available for purchase upon request and quote
- **Entry width:** 400 mm
- **Collection volume:** 165 liters (2,178 shredded sheets)
- **Noise level:** 60 dB(A)
- **Weight:** 91 kg
- **Dimensions:** W 62 x D 48.7 x H 102.1 cm
- **Shreddable materials:** Paper, staples, paper clips, credit cards, CDs/DVDs, floppy disks

Optional:

- **Lubricating oil:** for the 250 ml cutting block

User benefits:

- **High productivity:** Shreds up to 35 sheets simultaneously, ideal for offices with high workloads.
- **Advanced security:** P-4 level for the protection of confidential documents.
- **High capacity:** 165-liter container to reduce the frequency of emptying.
- **Versatility:** Also shreds staples, paper clips, credit cards, CDs/DVDs and floppy disks.
- **Reliability and durability:** Solid steel cutting cylinders with a lifetime warranty.
- **Silent operation:** 60 dB(A), suitable for shared work environments.
- **Mobility:** Integrated castors for easy movement.
- **Energy efficiency:** Stand-by function to reduce consumption.
- **Anti-jam:** Automatic reverse to prevent blocks during use.

FAQ:

1. **Can it shred A3 size documents?**
Yes, thanks to the 400 mm entry width, it is suitable for A3 and smaller sheets.
2. **Is it possible to shred CDs, DVDs and floppy disks?**
Yes, the H970_10 is designed to shred CDs, DVDs, floppy disks, credit cards, paper clips and staples.
3. **Is the container easy to empty?**
Yes, the 165-liter container has a wide-opening door, which simplifies emptying.
4. **Is it suitable for continuous use?**
Yes, the 1,920 W motor allows for continuous cycle operation without overheating.
5. **Is the device noisy?**
No, with a noise level of only 60 dB(A), it is ideal for shared work environments.
6. **How do you move the shredder?**
It is equipped with integrated castors, which allow for easy and convenient transport within the office.

Mini buying guide:

If your office or department has a **large quantity of confidential documents to destroy**, it is essential to choose a **powerful and reliable** paper shredder. The **H970_10** has been designed to offer **maximum efficiency, security and durability**, making it the perfect solution for those who need high performance and continuous operation.

The **ability to shred up to 35 sheets at a time**, combined with the **165-liter container**, minimizes emptying interventions, ensuring **optimal productivity**. Furthermore, the **P-4 particle cut** offers advanced protection for the secure destruction of sensitive data.

If you are looking for a **robust, high-performing and versatile** paper shredder, with the possibility of also shredding **CDs, DVDs, floppy disks and magnetic cards**, the **H970_10** is the perfect choice for your office.

Departmental paper shredder, H970_10, P-4 paper shredder, 3.9x40 mm particle cut, sensitive data protection, large capacity paper shredder, paper shredder with wheels, confidential document destruction, heavy duty paper shredder, business paper shredder.
