

Office storage cabinet h471_66

Monoblock sheet steel filing cabinet, 800x400x1000 mm, with adjustable shelf and lock for the secure storage of professional documents.

The **monoblock metal cabinet** is designed to meet the documentation storage and protection needs in public and private offices and commercial activities. The robust structure and integrated locking system offer a reliable solution for daily organization, while ensuring maximum privacy for sensitive content. Thanks to the **epoxy-polyester powder coating** in Grey RAL 7038 finish, the cabinet ensures high surface resistance and easy aesthetic integration into professional environments.
