

Office task chair with backrest h1038_01

Ergonomic task chair with 100 % black polyester mesh backrest, adjustable headrest and armrests. Equipped with a mechanism with a locking point in 5 positions. Dimensions: W 66 x D 68 x H from 110 to 118 cm.

The **h1038_01 office task chair** is an ergonomic armchair designed to offer optimal support during long work sessions. Featuring a breathable **mesh backrest** and equipped with a **headrest**, this seat solves posture problems thanks to the synchro mechanism with a 5-position locking point effect, anti-shock system, manual intensity adjustment, and height-adjustable armrests. The combination of quality materials, such as the nylon frame and polyurethane resin padding, ensures resistance and comfort, making it a functional and modern element for every workstation.
