

Outdoor ashtray h140240

Outdoor ashtray attachable to bin with bottom emptying. Made in Italy. Dimensions: **W.13 x D.8 x h.15 cm**. Color: gunmetal grey.

Design ashtray attachable to bins ideal for placement in squares, avenues and historic centers. Container structure consisting of a single box made of **galvanized sheet metal** complete with micro-perforated sheet in the upper part for extinguishing cigarettes and **folding bottom** with snap closure

The material used for the production of the product is of **top quality** treated to resist external atmospheric agents. The anti-corrosive used is a powder based on epoxy and polyester resins, formulated with special pigments while the thermosetting powder-based finish gives the product an excellent decorative and protective effect.
