

Outdoor ashtray h332_06

Outdoor ashtray with a refined design ideal for outdoor areas of pubs and pizzerias. Dimensions: W.150 x D.140 x H.355 mm.

The outdoor ashtray is ideal for all businesses and premises that have **outdoor spaces or smoking areas** and therefore need a system that allows for the hygienic collection of cigarette butts, preventing them from being scattered in the environment and polluting the surrounding territory. **The product features a solid structure extremely resistant to weather conditions.** Thanks to its shape and attention to detail, it can be used **near any public or private building**. The ashtray itself serves as a **collection tray for ash and butts**. Content removal is **carried out by tilting the ashtray and is therefore very simple and quick**. The container can be wall-mounted, placed on a shelf, or alternatively displayed and removed according to the user's needs.
