

Outdoor ashtray in galvanized sheet metal h140236

Galvanized sheet metal ashtray with semi-oval container. Wall mounting or for existing poles. Dimensions: **W.12.5 x D.15 x h.25 cm.**

Outdoor ashtray practical and elegant, ideal for placement at all exits of cinemas, theaters, museums, and conference centers. Structure consisting of a rear box made of **galvanized sheet metal**, in a semi-oval shaped container with an anti-cut top and a steel sheet bottom with holes for **rainwater drainage**. Emptying operations of the container are facilitated by the **release of the specific Allen screw** which allows for the extraction of the container.

The painting technique adopted for the galvanized steel structure involves **thermosetting powders** based on oven-baked enamel resins, providing greater longevity to the product, applied in a paint layer of as much as 60 microns. The thermosetting powder-based finish gives the product an **excellent decorative and protective effect**.

The **outdoor ashtray h140236** is available in the following variants:

- **With attachment for existing poles** - structure provided with holes for pole fixing by means of screws supplied as equipment
- **With wall attachment** - structure equipped with holes for wall fixing by means of screws and expansion plugs

Technical Features:

- Galvanized sheet metal structure 12/10 thickness
- Semi-oval shaped container with anti-cut rounded top edge
- Galvanized steel sheet bottom with holes for water drainage
- Emptying by releasing the screw
- Height: 25 cm
- Width: 12.5 cm
- Depth: 15 cm
