

Outdoor bench without backrest L. 150 cm h140_465

Urban furniture bench in galvanized steel, without backrest. Dimensions: L. 150 x D. 54 x h. 45 cm.

A fundamental element that combines comfort and functionality, the **urban furniture bench** with a **length of 150 cm** is **without a backrest** and is made entirely of **galvanized steel**. Its structure consists of **2 supports** in galvanized steel sheet shaped using laser cutting technology and a **seat shell** made with galvanized steel profiles with an oval section, welded onto steel templates that give the **seat** an **anatomical shape**. The individual supports are equipped with a **base plate, for fixing to the ground**. With a **stylized shape** and **minimal design**, the bench is **supplied in an assembly kit** with assembly instructions and steel screws included. It is **possible to choose the color of the side supports from different shades**. Upon request for a quote, it is possible to request the seat in a different color.

Technical characteristics:

- Dimensions: L. 150 x D. 54 x h. 45 cm
- Material: galvanized steel
- Without backrest
- Supplied in an assembly kit (steel screws and instructions included)
- Fixing: to the ground
- Side supports available in different colors

**Purely indicative image.*

**Upon request for a quote, it is possible to request the seat in a different color.*
