

Outdoor cigarette extinguisher h287_157

Galvanized steel ashtray with a lively daisy-shaped design. **Wall mounting.**

Charming **ashtray for urban furniture**, with a **fun and lively design**, composed of a **wall** anchoring plate, shelf and support base made of **galvanized steel sheets** shaped using laser technology. Hemispherical opening lid in pressed steel sheet with hole for insertion and mesh for extinguishing cigarette butts. Equipped internally with a **stainless steel sheet container**.

Emptying system via opening with an **Allen key** supplied. Finish: The galvanized steel parts first undergo a pre-treatment degreasing process for impurities through vapor solutions, then dried and subjected to painting operations using electrostatic guns that cover the pieces with powder paint. Subsequently, the product is subjected to oven polymerization, a process that allows the powder to solidify by baking at a temperature of 180/200° C in a hot air circulation oven. The pieces coming out of the oven are naturally cooled. The powders used in the painting process are non-toxic according to current regulations.

Anchoring: prepared for wall anchoring. Overall dimensions: cm 30 x 40 x 22 h. Supplied **already assembled**.

Technical Features:

- Material: galvanized steel
- Daisy shape
- Wall mounting
- Overall dimensions: W.30 x D.40 x h.22 cm.

INFORMATION

- Height in millimetres 220.000000
- Width in millimetres 300.000000
- Depth in millimetres 400.000000
- Material metal
- fixing wall
