Outdoor concrete Ping Pong table h287_299

Concrete Ping Pong table for outdoors and playgrounds. Top color: green. Dimensions: L274xW152.5xH76 cm

This ping pong table designed for playgrounds or public parks in your city is made of reinforced concrete and surface-colored in **green**. Its overall dimensions are L274xW152.5xH76 cm. It contains superplasticizing additives designed to reduce the water/cement ratio. It features polished external surfaces protected with anti-degradation water-based water-repellent paints, with rounded corners for greater safety. The table features 2 side supports with dimensions L110xW60xH68 cm with high-frequency vibration which allows for the correct compaction of the mix. With controlled grain size aggregates and subsequently polished. The item arrives disassembled and is supplied without accessories.

Technical features:

- Overall dimensions L274xW152.5xH76 cm
- Material: concrete/reinforced concrete
- Surface color: green
- Rounded corners
- Total weight: 1300kg
- Net included
