

Outdoor metal advertising totem h738_199

Outdoor advertising totem h738_199 with double L-shaped base in silver metal and 19 mm Forex panel. Panel dimensions: 75.5 x 200 cm. Durable and self-standing.

The **h738_199 metal advertising totem** is a self-standing display specifically designed for **outdoor** contexts. The structure stands out for its solid **double L-shaped metal base** with a silver powder-coated finish, which provides stability and resistance to weather agents. The display body consists of a **white Forex** panel with a significant thickness of **19 mm**, a material ideal for outdoor communication due to its durability. The functional design ensures that the base covers the first 250 mm of the panel, guaranteeing a wide **visible area of 755x1800 mm** for the promotional message. It represents a robust and professional solution for those who need impactful and long-lasting visual communication outdoors.
