

Outdoor service cabinet for restaurants h684_05

Professional outdoor service cabinet in AISI 304 stainless steel (96.5x53.3x140.7h cm). Ultra-resistant structure with 2 cutlery drawers, lower compartment with 2 doors, and oversized wheels for smooth mobility on patios and terraces.

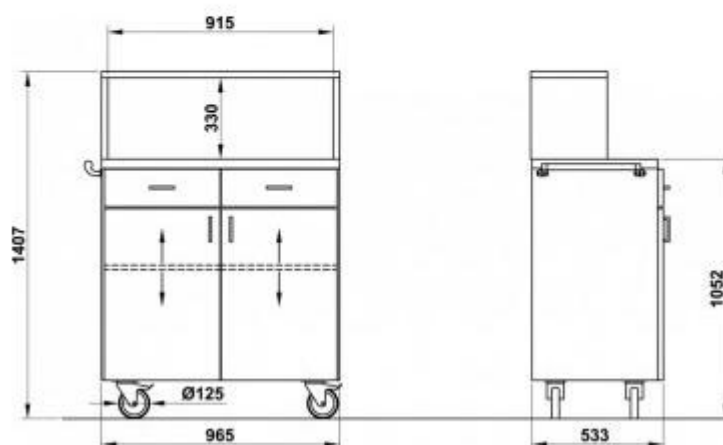

The **outdoor service cabinet** is the definitive workstation for hotels, restaurants, and venues looking to maximize efficiency in their outdoor spaces. Entirely made of **AISI 304 stainless steel**, this cabinet is not afraid of humidity, saltiness, or bad weather, guaranteeing unparalleled durability and hygiene compared to traditional wooden models. The configuration is designed for dynamic service: it features **2 upper drawers** for cutlery and a large **lower compartment with 2 doors** for the protected storage of plates and linens. Thanks to the sturdy side handle and large-diameter wheels, moving between the kitchen and the patio is quick and effortless.
