

Outdoor steel cigarette snuffer h287_250

Outdoor ashtray in galvanized steel designed for pole mounting. Dimensions: 185 x H.75 mm.

The hemispherical outdoor cigarette snuffer is the ideal product for helping to maintain cleanliness **in public places and outdoor spaces of bars, restaurants and public buildings**. Thanks to the outdoor ashtray it will be possible to **prevent cigarette butts from being thrown on the street** and the environmental balance from being altered. The product consists of a **half-sphere with a 150 mm diameter** equipped with a **mesh for snuffing out cigarette butts and brackets for pole attachment** (not included). The ashtray is also equipped with a **release system with an Allen key** provided.

Technical features:

- Material: galvanized steel
- Equipped with snuffing mesh
- Attachment brackets included
- Designed for pole mounting
- Dimensions: 185 mm (excluding brackets) x H.75 mm
