

Outdoor wall-mounted ashtray h109_280

Cigarette extinguisher in galvanized and painted steel. Wall mounting

Outdoor cigarette extinguisher with a simple design, made entirely of **painted galvanized steel**. Cylindrical in shape and supplied with a specific support for wall mounting. The design recalls the shape of a cigarette with a hole at the top to extinguish cigarettes. The upper part is removable and is released via a specific lock with a universal key for emptying cigarette butts and ash. All **metal parts** are **galvanized and painted** with thermosetting polyester powders in various RAL colors.

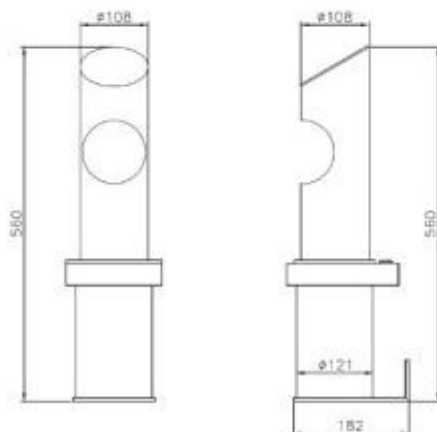

Technical features:

- Material: painted galvanized steel
- Mounting: wall-mounted
- Dimensions: Diameter 121 x D.182 x H.560 mm
- Available in different colors

*upon request, other colors can be chosen from the attached photo
