

## Pack of 100 anti-theft hangers for hotel h438\_187

Pack of 100 pieces of anti-theft hangers in beech wood. White color.

The **pack of 100 anti-theft hangers h438\_187** is a professional furnishing solution for the **HoReCa** sector, designed to combine refined aesthetics and operational security. Made of sturdy **beech wood** with a delicate **white finish**, these hangers integrate perfectly into the wardrobes of hotels, B&B and accommodation facilities seeking a polished style. The operational problem of shortages is solved thanks to the integration of a **steel anti-theft hook**, which secures the support to the wardrobe rail. The structure is completed by a **non-slip bar**, making the product versatile for storing jackets, trousers and suits without the risk of garments accidentally falling.
