

## Pack of 100 Clothes Hangers for Hotel Room h31\_275

Wooden hotel room hangers with anti-theft ring and clips. Pack of 100 pieces.

The **pack of 100 hangers h31\_275** is a technical furnishing element designed for hotels and holiday homes that wish to offer their guests a refined support for relaxing or business stays. Made of **wood with walnut finish** with a thickness of 1.2 cm, these hangers integrate a security system with an **anti-theft chrome ring** with an internal diameter of 38 mm, effectively solving the problem of accessory disappearance. The structure is equipped with a **curved head**, notches on the shoulders to prevent clothes from slipping and a functional **trouser bar with chrome steel clips**, which allows for hanging multiple garments at the same time keeping them wrinkle-free.
