

Pack of 100 hotel clothes hangers h164_115

Set of 100 dark solid wood hangers for hotels. With standard hook, trouser bar and shoulder notches. Dimensions: W 44.5 x D 1.2 x H 21.5 cm.

The **pack of 100 hotel clothes hangers** represents a high-quality and eco-friendly solution for setting up wardrobes in accommodation facilities. Made of **solid wood with a dark finish**, these hangers combine an elegant aesthetic with superior structural resistance, ideal for intensive use in the hospitality sector. Each unit is designed to ensure perfect organization of the guest's wardrobe, thanks to the presence of a **standard hook**, a solid **trouser bar** and integrated hooks (notches) to secure garments with straps or skirts. The use of sustainable and natural materials improves the user experience, communicating care for detail and attention to the environment from the first contact with the room.
