

## Pack of 100 Trouser hangers with anti-theft ring h31126

Hotel clothes hanger with trouser clips and chrome anti-theft ring. Finish: maple. Pack of 100 pieces.

The **pack of 100 hangers h31126** is a professional supply in **wood with a maple finish**, designed to elevate the standard of hospitality in **hotels, resorts and holiday homes**. This model meets the operational need to combine order and security within the wardrobe: the integration of a **chrome anti-theft ring** with an internal diameter of 38 mm prevents the removal of accessories, while the **chrome-plated steel trouser clip** and the **notches on the shoulders** offer complete support for every type of clothing. The choice of maple finish wood guarantees a warm and natural appearance, ideal for hospitality contexts that care for the functional aesthetics of the room.
