

Panchinha urban furniture bench with backrest and armrest h600_05

Design bench with backrest and armrest, made of wood and carbon steel. Dimensions: W. 180 x D. 50 x h. 62 cm.

Urban furniture bench ideal for placement in outdoor areas of shopping centers, city streets, parks, and residential areas. **Functional and practical**, it has a **modern and original design** and is characterized by its simplicity and **ease of assembly**. It has a **lightweight structure**, its weight is only **55 kg**, and **it can be fixed** both with wall anchors and as a **free-standing** option thanks to the interesting F-shaped design. The **base structure** is made of **carbon steel** and includes bars and profiles, while the **seat and the backrest** are made **of wood**. The bench is also equipped with an **armrest** on a single side that separates the seat into two parts, one larger and one smaller, which determines multiple applications.

Technical features:

- Dimensions: W. 180 x D. 50 x h. 62 cm
- Weight: 55 kg
- Manufacturing materials: wood and carbon steel
- Backrest
- Armrest on a single side
- Innovative and modern design
