

Paper shredder h970_05

Mobile and silent document shredder for small workgroups. Dimensions: W 49.7 x D 36.2 x H 71.6 cm. Collection capacity: 80 L

The **H970_05 document shredder** is the perfect choice for small workgroups needing a reliable, spacious, and silent tool for the management of confidential documents. Thanks to its ability to shred **paper up to DIN A3 format**, staples, paper clips, and credit cards, it offers a versatile and professional solution for every need.

The **solid steel cutting cylinders**, guaranteed for life, ensure high performance and long-lasting durability. The **ultra-secure particle cut** (1.9 x 15 mm) guarantees a **P-5** security level, compliant with the DIN 66399 standard, ideal for the protection of highly confidential information.

The **H970_05** combines power and convenience: the **610 W motor** allows for smooth and reliable continuous operation, while the robust **wooden cabinet**, equipped with a wide-opening door, facilitates access to the large 80-liter container, capable of collecting up to **1,018 shredded sheets**. The **integrated display** signals when the container is full, automatically turning off the machine to avoid waste.

The **anti-jam technology** with **automatic reverse** function prevents paper blocks, ensuring uninterrupted use. Furthermore, the **stand-by function** reduces energy consumption when the device is not in use. Despite its size, the H970_05 is easy to move thanks to the **integrated wheels**, making it convenient to transport even in dynamic work environments.

Don't risk your data security! The **H970_05 document shredder** is the ideal solution for small workgroups looking for a reliable, powerful, and spacious device. **Buy now** or **request a personalized quote** for large quantities.

- **Easy to move:** Equipped with integrated wheels for effortless mobility.

- **Efficiency and reliability:** Powerful motor for continuous cycle operation.
- **Anti-jam:** Automatic reverse to avoid blocks during use.
- **Energy saving:** Stand-by function to reduce energy consumption.

FAQ:

1. Can it shred A3 format documents?

Yes, the H970_05 is designed to handle paper up to DIN A3 format, as well as paper clips, staples, and credit cards.

2. Is the device noisy?

No, the noise level is only 55 dB(A), ensuring silent and comfortable use.

3. Does it require frequent maintenance?

No, thanks to the 80-liter container, you can shred up to 1,018 sheets before emptying it.

4. How is the shredder moved?

It is equipped with integrated wheels for convenient and simple transport.

5. What does P-5 security level mean?

The P-5 level ensures that documents are destroyed into very small particles (1.9 x 15 mm), ideal for protecting extremely confidential data.

Mini buying guide:

If you work in a small workgroup and need a powerful, spacious, and secure document shredder, the **H970_05** is the ideal product. With a **P-5 security level**, this model ensures that your documents are destroyed into practically unrecoverable particles, guaranteeing maximum protection for sensitive data.

Thanks to the 610 W motor, it is capable of handling intensive continuous cycle use, perfect for offices with high document destruction needs. The **cutting capacity of up to 11 sheets at a time**, the large 80-liter container, and the ability to shred staples, credit cards, and A3 formats make it an extremely versatile tool. Furthermore, its **silent operation** and **integrated wheels** guarantee a practical and comfortable user experience.

If you are looking for a device that combines professional performance, ease of use, and mobility, the **H970_05 document shredder** is the perfect solution for your office.

A3 document shredder, H970_05, P-5 paper shredder, 1.9x15 mm particle cut, professional office shredder, confidential document management, large capacity shredder, shredder with wheels, sensitive document destruction.
