Park seating h575_124

Urban street furniture bench in heat-treated pine and spheroidal cast iron, with backrest. Dimensions 190 x 62.4 x 77.3 cm.

The **bench with backrest for urban furniture in heat-treated pine and cast iron** is an outdoor seat, suitable for furnishing parks, public gardens, and rest areas.

The seat and backrest are made with **heat-treated pine wood boards**, characterized by rounded corners and a section of 115 x 35 mm. The supporting structure is made of **spheroidal cast iron painted for outdoor use**.

All fastening elements, including screws, nuts, and washers, are in **stainless steel**. The combination of wood and cast iron offers a seating solution with a backrest intended for outdoor public spaces.
