

Pastry tray trolley h09195

Professional stainless steel pastry tray trolley (52x72x94 cm). Capacity 8 trays 60x40 cm, multidirectional wheels and bumpers.

The **professional pastry tray trolley** is a technical solution designed to optimize the management and handling of baked products within artisanal workshops and professional kitchens. Entirely made of **stainless steel**, this tool guarantees excellent resistance to corrosion and complies with the strictest hygiene and health standards for the food sector. The structure is specifically calibrated to accommodate **8 trays of 60x40 cm**, the standard format of international pastry. Thanks to its compact dimensions and mobile base, it solves the operational problem of temporary storage and rapid transport of preparations between the mixing, leavening, and baking areas, ensuring a constant workflow even in small spaces.

Technical features

- **Material:** high-quality stainless steel
- **Load capacity:** for 8 trays of 60 x 40 cm
- **Distance between levels:** 8 cm to promote air circulation between products
- **Movement:** 4 multidirectional wheels for easy movement
- **Protection:** integrated rubber bumpers on each wheel
- **Total dimensions:** W. 52 x D. 72 x H. 94 cm
- **Hygiene:** smooth surfaces compliant with HACCP regulations
