

AISI304 stainless steel wheeled bin with lid 50 Lt h11170

50 Lt AISI 304 stainless steel wheeled bin with pedal opening, nylon wheels and anti-cut bumper edging. Made in Italy.

Professional wheeled bin designed for HoReCa environments, commercial kitchens and catering facilities where rapid and hygienic waste management is required. The robust design in **AISI 304 stainless steel** ensures corrosion resistance and durability over time, while the **pedal opening** allows access without manual contact with the lid. The ideal solution for daily waste disposal operations in professional environments.
