

Wall-mounted pistol hair dryer for hotels h21801

1200 W ABS pistol hair dryer with wall bracket, ideal for hotels and sports centers. Compact design and 2 adjustment speeds.

The **h21801 pistol hair dryer** represents a functional and aesthetic solution for managing courtesy service in professional contexts such as **hotel rooms, locker rooms and sports centers**. Designed to solve the problem of space and safety in public or hospitality bathrooms, this device is made entirely of **resistant ABS plastic** and features a practical support for **wall mounting**. Thanks to the 1200 W power and the two speeds selectable via a safety button, it guarantees effective drying while reducing energy consumption and preventing accidental activation.
